Most Drinking Water is Not

Yeah, I know that most drinking water is not,
its gotta be bought
that Ronald Reagan is really dead,
sing Beatle's tunes to the American poor,
while that old lady satisfaction
screws no greedy man,
whose pornography sterilizes women
who knows rapes' gender
that little hungry babies toys
are being stolen by the electric company,
and that nuclear war is only a commercial away,
Yeah, I know that. . .
